## Sound of Music

<https://www.youtube.com/watch?v=wbQSAdu4Qb4>

*My day in the hills has come to end I know  
A star has come out to tell me it's time to go  
But deep in the dark green forest  
Are voices that urge me to stay  
So I pause and I wait and I listen  
For one more sound for one more lovely thing  
That the hills might say*

The hills are alive  
With the sound of music  
With songs they have sung  
For a thousand years

The hills fill my heart  
With the sound of music  
My heart wants to sing ev'ry song it hears

My heart wants to beat like the wings of the birds  
That rise from the lake to the trees  
My heart wants to sigh like a chime that flies  
From a church on a breeze

To laugh like a brook when it trips and falls  
Over stones on it's way  
To sing through the night  
Like a lark who is learning to prey

I go to the hills  
When my heart is lonely  
I know I will hear  
What I've heard before

My heart will be blessed  
With the sound of music

And I'll sing once more

# How do you solve a problem like Maria (adults)

<https://www.youtube.com/watch?v=yYvyh3lldDk>

She climbs a tree and scrapes her knee  
Her dress has got a tear  
She waltzes on her way to CLASS  
And whistles on the stair  
And underneath her wimple  
She has curlers in her hair  
I even heard her singing in the HALL WAY

She's always late for MEETINGS  
But her penitence is real  
She's always late for everything  
Except for every meal  
I hate to have to say it  
But I very firmly feel  
Maria's not an asset to the CENTER

I'd like to say a word in her behalf  
Maria... makes... me...laugh

How do you solve a problem like Maria?  
How do you catch a cloud and pin it down?  
How do you find a word that means Maria?  
A flibbertigibbet! A will-o'-the wisp! A clown!

Many a thing you know you'd like to tell her  
Many a thing she ought to understand  
But how do you make her stay  
And listen to all you say  
How do you keep a wave upon the sand?

Oh, how do you solve a problem like Maria?  
How do you hold a moonbeam in your hand?

When I'm with her I'm confused  
Out of focus and bemused

And I never know exactly where I am  
Unpredictable as weather  
She's as flighty as a feather  
She's a darling! She's a demon! She's a lamb!

She'd outpester any pest  
Drive a hornet from its nest  
She could throw a whirling dervish out of whirl  
She is gentle! She is wild!  
She's a riddle! She's a child!  
She's a headache! She's an angel!  
She's a girl!

How do you solve a problem like Maria?  
How do you catch a cloud and pin it down?  
How do you find a word that means Maria?  
A flibbertigibbet! A will-o'-the-wisp! A clown!

Many a thing you know you'd like to tell her  
Many a thing she ought to understand  
But how do you make her stay  
And listen to all you say  
How do you keep a wave upon the sand

Oh, how do you solve a problem like Maria?  
How do you hold a moonbeam in your hand?

## Thriller (M. Jackson) kids

[https://www.youtube.com/watch?v=U84\\_w4Sm9UA](https://www.youtube.com/watch?v=U84_w4Sm9UA)

It's close to midnight and something evil's lurking in the dark  
Under the moonlight you see a sight that almost stops your heart  
You try to scream but terror takes the sound before you make it  
You start to freeze as horror looks you right between the eyes,  
You're paralyzed

'Cause this is thriller, thriller night  
And no one's gonna save you from the beast about to strike  
You know it's thriller, thriller night  
You're fighting for your life inside a killer, thriller tonight

Hard knock Life:

[It's a hard-knock life for us!](#)

It's a hard-knock life for us!

'Stead of treated,

We get tricked!

'Stead of kisses,

We get kicked

It's a hard-knock life

## Matilda - When I Grow Up kids

<https://www.youtube.com/watch?v=96JDkI2tBhI>

When I grow up,  
I will be tall enough to reach the branches  
That I need to reach to climb the trees  
You get to climb when you're grown up.

And when I grow up,  
I will be smart enough to answer all  
The questions that you need to know  
The answers to before you're grown up.

And when I grow up,  
I will eat sweets every day,  
On the way to work, and I will  
Go to bed late every night.  
And I will wake up  
When the sun comes up, and I  
Will watch cartoons until my eyes go square  
And I won't care 'cause I'll be all grown up.

When I grow up (x 4)...  
I will be strong enough to carry all  
The heavy things you have to haul  
Around with you when you're a grown up.

And  
When I grow up (x 3)...  
I will be brave enough to fight the creatures  
That you have to fight beneath the bed  
Each night to be a grown up.

And when I grow up,  
I will have treats every day,  
And I'll play with things that mum pretends  
That mums don't think are fun.  
And I will wake up  
When the sun comes up and I  
Will spend all day just lying in the sun.  
And I won't burn 'cause I'll be all grown up.

(Ms. Honey:)

When I grow up,  
I will be brave enough to fight the  
creatures  
That you have to fight beneath the bed  
Each night to be a grown up.

When I grow up...

(Matilda:)

Just because you find that life's not fair, it  
Doesn't mean that you just have to grin  
and bear it.

If you always take it on the chin and wear  
it, nothing will change.

Just because I find myself in this story,  
It doesn't mean that everything is written  
for me.

If I think the ending is fixed already,  
I might as well be saying I think that it's

OK,  
And that's not right!

# Seize the day (KIDS) from Newsies

<https://www.youtube.com/watch?v=DLRKUCXzfHM>

Open the gates and seize the day  
Don't be afraid and don't delay  
Nothing can break us  
No one can make us give our rights away  
Arise and seize the day

Now is a time to seize the day  
Now is a time to seize the day  
Send out the call and join the fray  
Send out the call and join the fray  
Wrongs will be righted  
If we're united  
Let us seize the day

Friends of the friendless seize the day  
Friends of the friendless seize the day  
Raise up the torch and light the way  
Raise up the torch and light the way  
Proud and Defiant  
Well slay the giant  
Let us seize the day

Neighbor to neighbor  
Father to son  
One for all and all for one

Open the gates and seize the day  
Open the gates and seize the day  
Don't be afraid and don't delay  
Don't be afraid and don't delay  
Nothing can break us  
No one can make us give our rights away

Neighbor to neighbor  
Father to son  
One for all and all for one

# Everything's Alright from Jesus Christ super Star

<https://www.youtube.com/watch?v=jkje4FiH9Qc>

Try not to get worried  
Try not to turn on to problems that upset you  
Oh, don't you know everything's alright?  
Yes, everything's fine

And we want you to sleep well tonight  
Let the world turn without you tonight  
If we try, we'll get by  
So forget all about us tonight

Everything's all right, yes  
Everything's all right, yes

Sleep and I shall soothe you  
Calm you and anoint you  
Myrrh for your hot forehead  
Oh, then you'll feel everything's all right, yes, everything's fine

And it's cool and the ointment's sweet  
For the fire in your head and feet  
Close your eyes, close your eyes and relax  
Think of nothing tonight

Everything's all right, yes  
Everything's all right, yes

# So Long Farewell

<https://www.youtube.com/watch?v=HkWtd4tZ4eY>

*(For later but begin learning...)*  
*There's a sad sort of clanging from the clock in the hall*  
*And the bells in the steeple too.*  
*And up in the nursery an absurd little bird*  
*Is popping up to say, "Cuckoo" (Cuckoo, cuckoo)*  
*Regretfully they tell us but firmly they compel us*  
*To say goodbye to you.*

So long, farewell, auch wiedersehen, good night.  
I hate to go and leave this pretty sight.  
So long, farewell auch wiedersehen, adieu  
Adieu, adieu, to you and you and you.

So long, farewell, au revoir, auch wiedersehen.  
I'd like to stay and taste my first champagne  
"Yes? No."

So long, farewell, auch wiedersehen, goodbye  
I leave and heave a sigh and say goodbye  
I'm glad to go, I cannot tell a lie  
I flit, I float, I fleetly flee, I fly  
The sun has gone to bed and so must I

So long, farewell, auch wiedersehen, goodbye  
Goodbye, goodbye, goodbye
